## SERBIAN NEUROSCIENCE SOCIETY DRUŠTVO ZA NEURONAUKE SRBIJE

### 7<sup>th</sup> CONGRESS / VII KONGRES Belgrade 2017

Belgrade, October 25-27 / Beograd, 25-27 oktobar

**Dear colleagues,**

We cordially invite you to take part at **7<sup>th</sup> Congress of the Serbian Neuroscience Society** that will take place in Serbian Academy of Sciences and Arts, in Belgrade from **25<sup>th</sup> to 27<sup>th</sup> October, 2017**.

We encourage you to present your recent work and to learn about research from our distinguished colleagues from Serbia and abroad. The official language of the Congress is English.

The work at the 7<sup>th</sup> Congress will cover the following topics:

- **Neuroinflammation**
- **Maintaining homeostasis: interaction between CNS and periphery**
- **Translational approaches in neurological disorders**
- **Brain and behavior**
- **Neuroplasticity**

The meeting will also include the workshop on soft skills for young scientists.

Aim of this conference is to offer networking opportunities and foster debate among participants. Deadline for registration and abstracts submission is August 15, 2017. Accepted oral and poster presentations will be printed in the Book of Abstracts and best poster presentations will be awarded. All information regarding participation, registration and scientific program of the 7<sup>th</sup> SNS Congress will soon be available at <http://www.srneurosoc.ac.rs>

Sincerely,

Ivana Bjelobaba,

Organizing Committee chair

**Poštovane kolegice i kolege,**

Sa zadovoljstvom vas pozivamo da učestvujete u radu **VII Kongresa Društva za neuronauke Srbije (sa međunarodnim učešćem)** koji će se održati u **Beogradu**, u prostorijama Srpske akademije nauka i umetnosti od **25. do 27. oktobra 2017. godine**.

Zvaničan jezik VII Kongresa je engleski. Program je organizovan u okviru sledećih tema:

- **Neuroinflamacija**
- **Održavanje homeostaze: interakcija između CNS-a i periferije**
- **Translacioni pristupi u neurološkim oboljenjima**
- **Regulacioni sistemi ponašanja**
- **Neuroplastičnost**

U okviru kongresa će biti održana i radionica akademskih veština za mlade istraživače.

Nadamo se da ćete svojim radom doprineti naučnom dijalogu i saradnji, što je i cilj našeg VII Kongresa. Poziv za prijavu radova će biti otvoren do 15. avgusta. Prihvaćeni radovi biće štampani u knjizi sažetaka, a najbolji poster nagrađeni. Informacije i uputstva o prijavi, registraciji kao i program VII kongresa uskoro će biti dostupni na web stranici Društva za neuronauke Srbije <http://www.srneurosoc.ac.rs>

Kongres će biti akreditovan od strane Zdravstvenog saveta Republike Srbije.

Srdačno,

U ime Organizacionog odbora,

Ivana Bjelobaba
